Travelling the World

Embarking on a virtual cruise, we set sail to China and were delighted to indulge in its beautiful cuisine while attempting to use traditional chopsticks. The experience was truly immersive and engaging with our residents having an amazing time.

On the second day of our adventure, we arrived in India where we were captivated by the vibrant and energetic Bollywood dance scene.

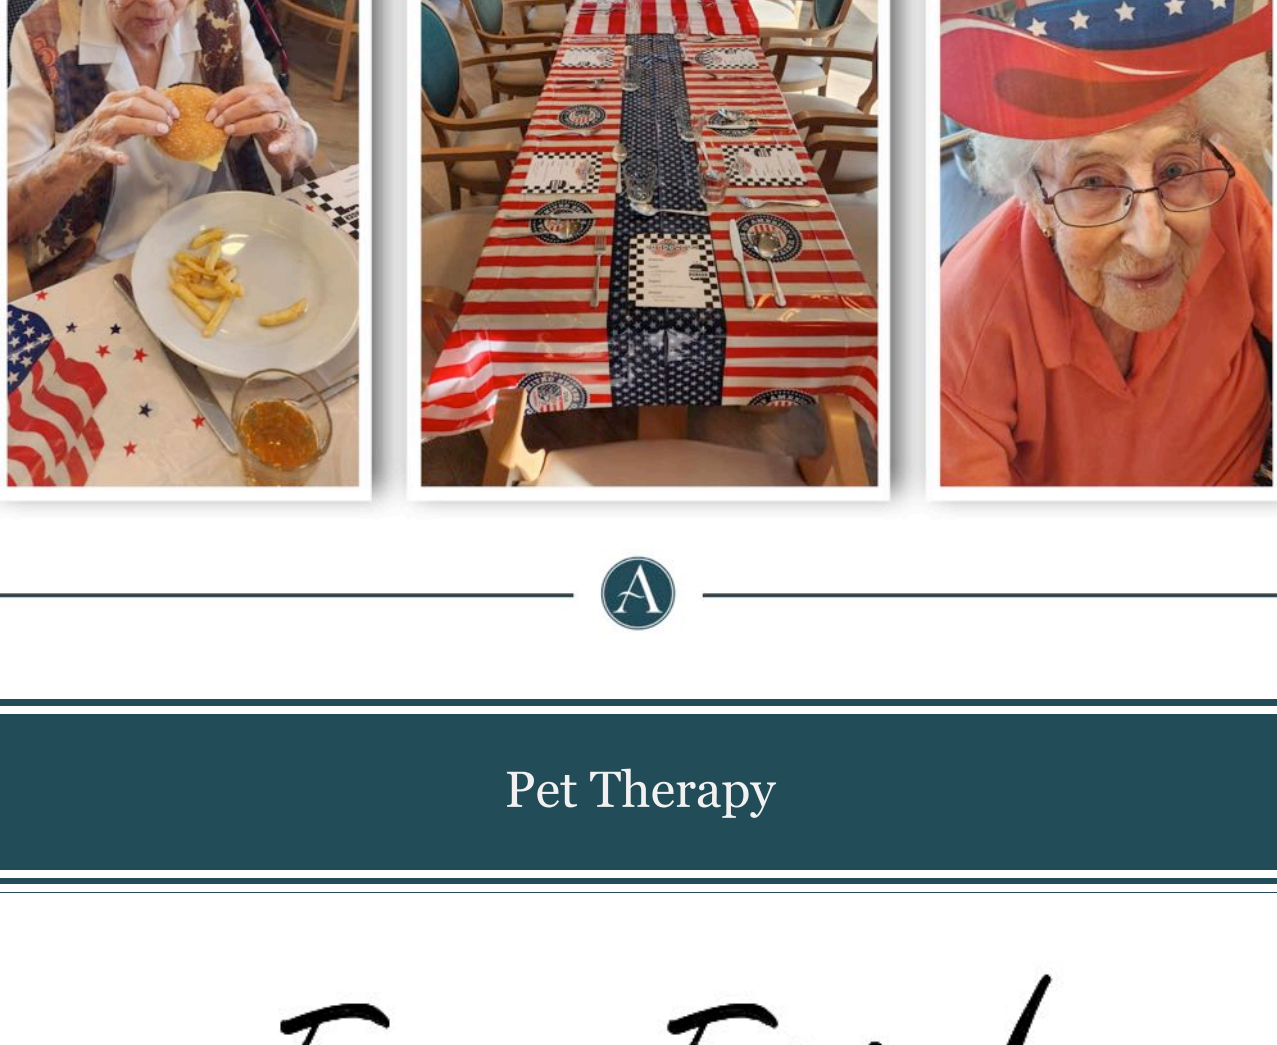

Next, we docked in Italy where our taste buds were treated to mouthwatering pizza and pasta dishes cooked by our talented chefs.

After a brief stop-off in Exeter for our weekly tipples and nibbles event, we set sail again and arrived in Spain where we were treated to authentic paella and tapas. The food was delicious and we all enjoyed it thoroughly.

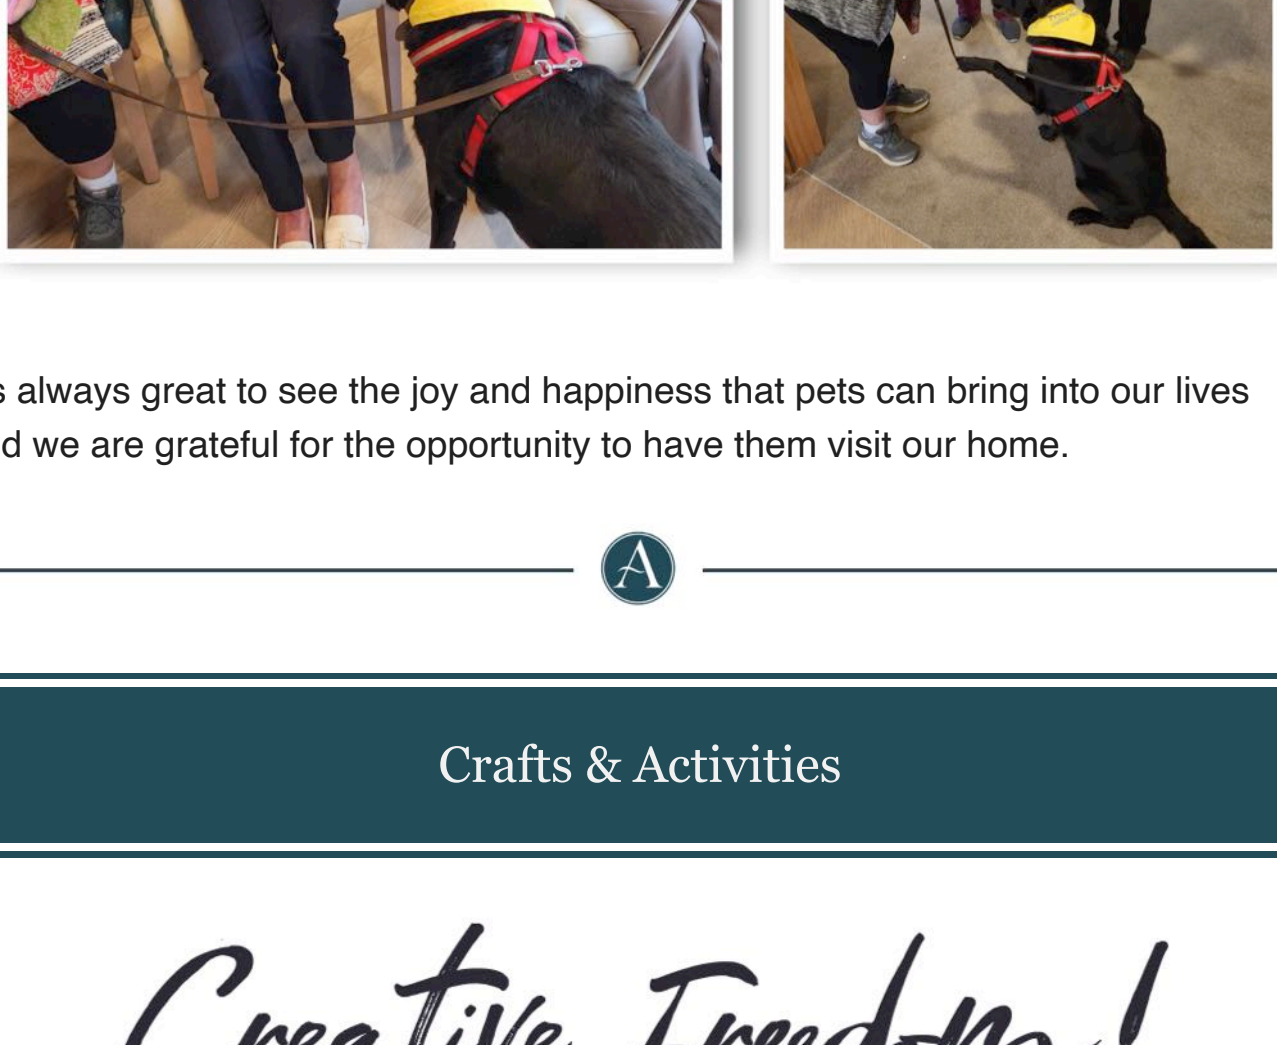

Finally, on day 5, we arrived in America, concluding a fabulous week filled with amazing experiences and delicious food!

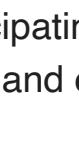

Pet Therapy

Furry Friend

We recently had a visit from our favorite labrador and it was a heartwarming experience for all of our residents. The dog was greeted with open arms and plenty of affection and it was clear that everyone enjoyed the visit immensely.

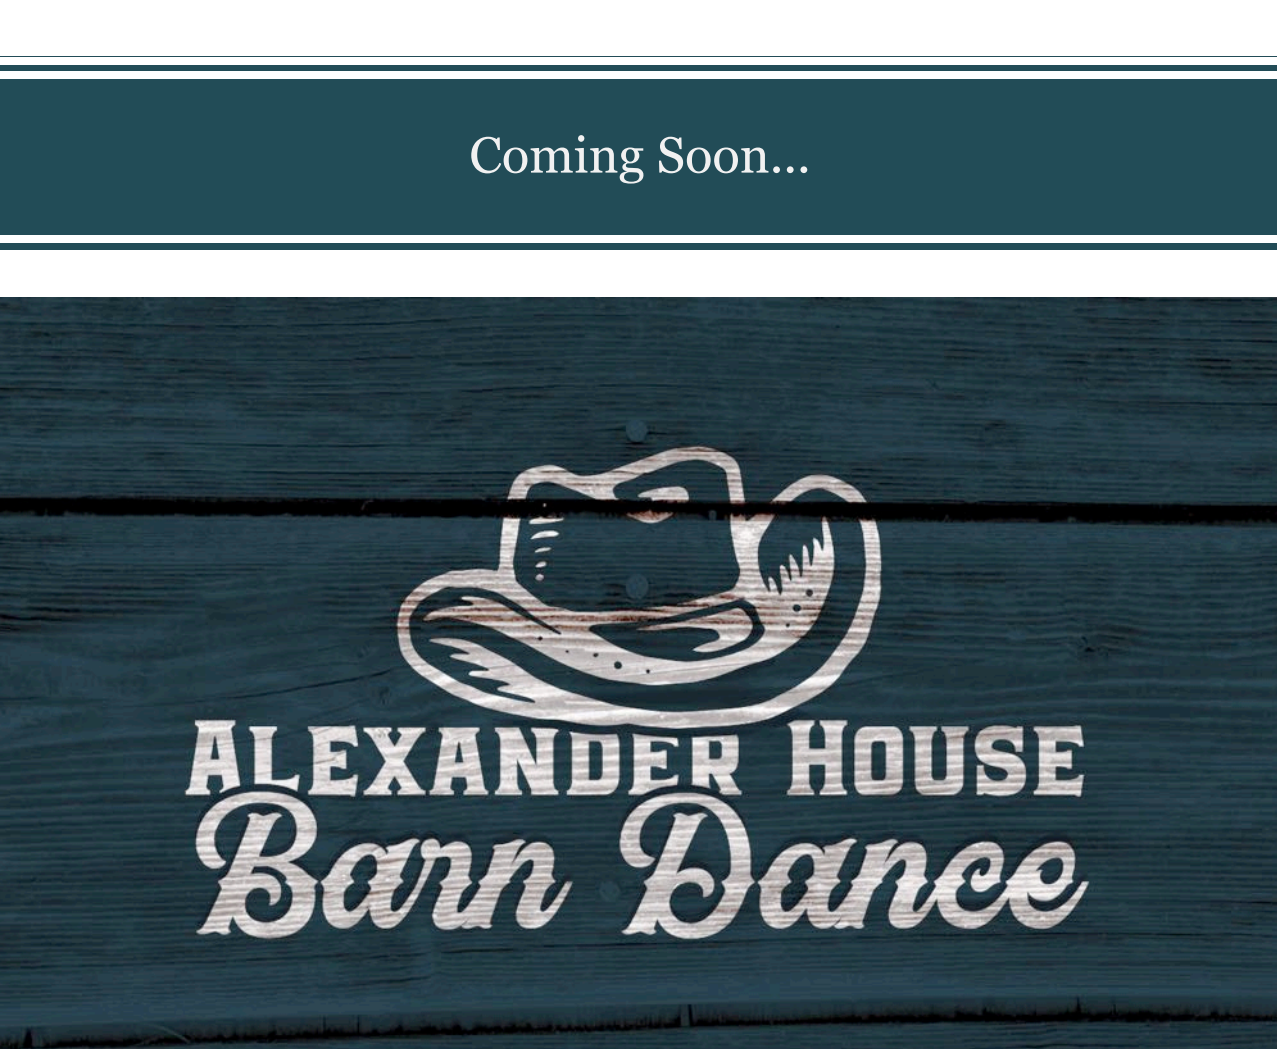

It's always great to see the joy and happiness that pets can bring into our lives and we are grateful for the opportunity to have them visit our home.

Crafts & Activities

Creative Freedom!

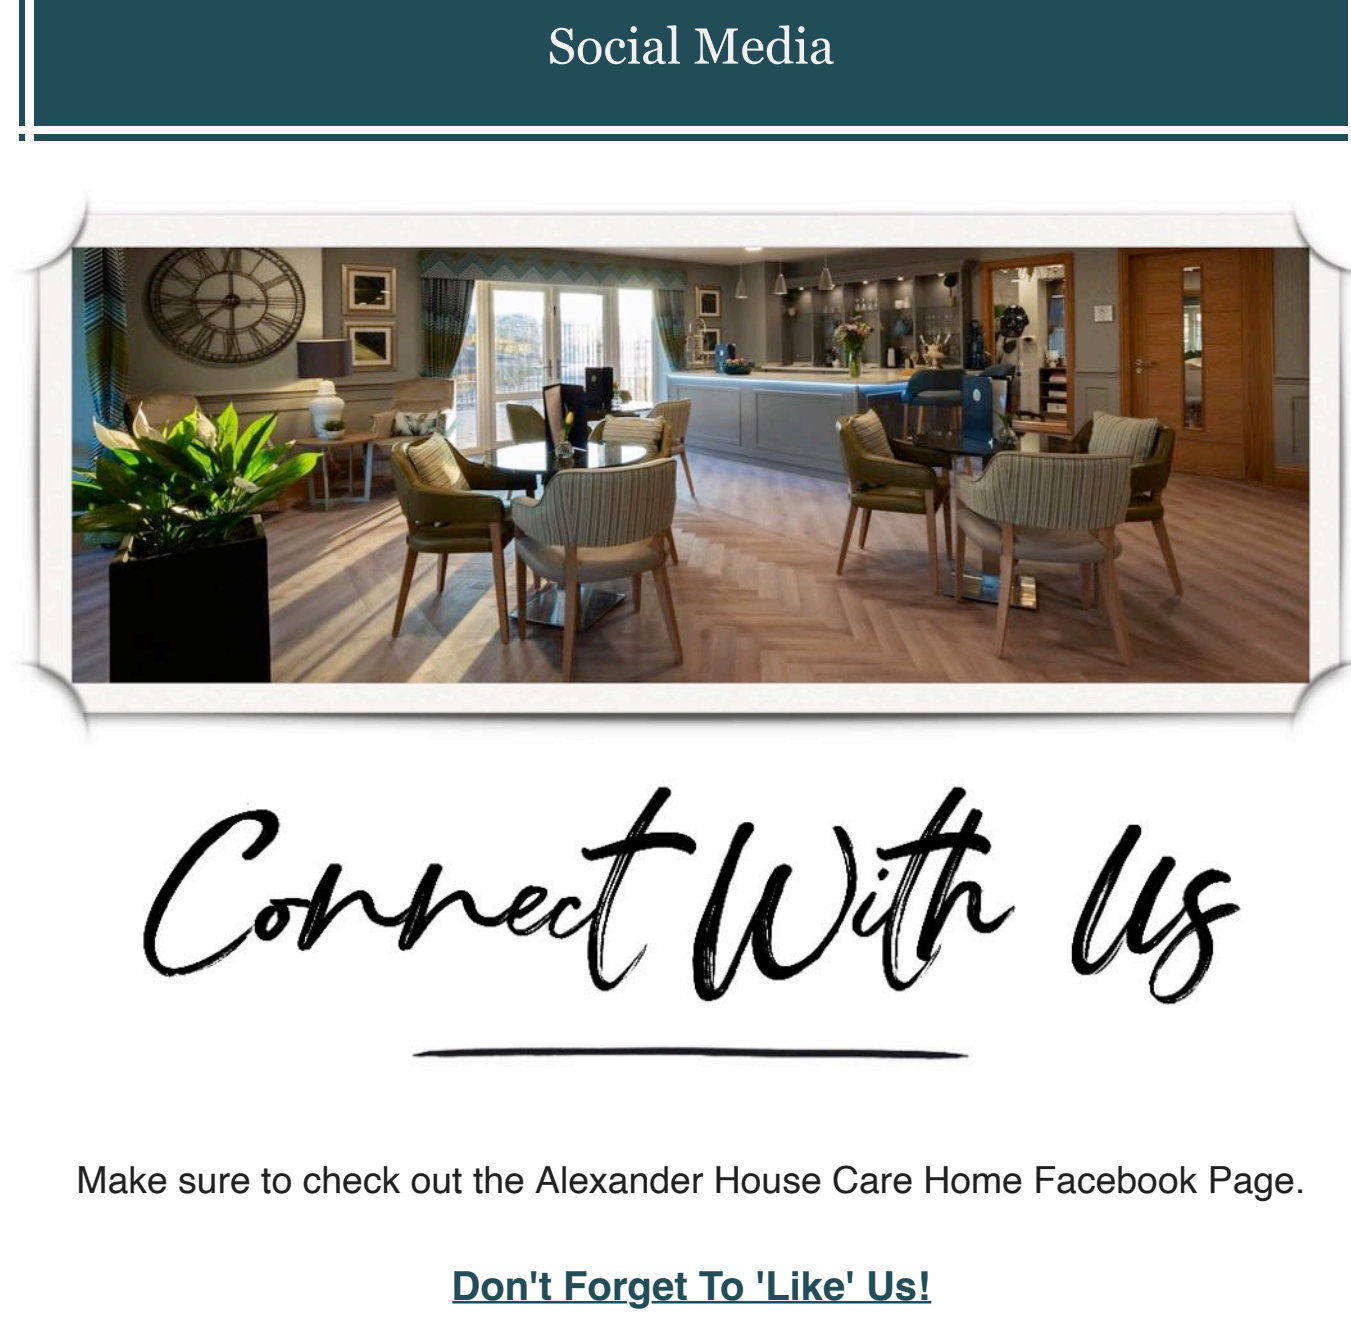

At our home, we are always keeping busy with regular activities and events. Among our favourite pastimes is participating in arts and crafts. We love the opportunity to showcase our creativity and express ourselves through various mediums.

Whether it's painting, drawing, or even knitting, we always have a great time and enjoy each other's company. The sense of community and camaraderie that comes from working on a project together is truly special and it's something we cherish.
